Submission of articles through the event website **until May 30:**

<https://www.even3.com.br/nocmat2023/>

Articles will be reviewed by the scientific committee. The corrected final version, if applicable, must be submitted by September 30th, also via the website.

You can submit your work in two ways:

- article that will be published in the proceedings (with ISBN)
  - banner: accompanied by an abstract or article that will be also published
- Registration prices are affordable and are listed on the website.  
Payment details will be given when acceptance letters are sent

Come and enjoy Nature in João Pessoa!
